

## News Announcement

### **Showcase Realty Opens New Headquarters Uptown**

CHARLOTTE (March 1, 2012) – Showcase Realty, a certified woman owned business, is pleased to announce the opening of its new headquarters office in Uptown Charlotte at 1430 Mint Street, Suite 106, in the recently re-imagined and rehabbed Charlotte Linen Supply Building.

“We selected the Uptown location to be more convenient for our clients, agents and employees,” said Nancy Braun, owner and broker-in-charge of Showcase Realty. “We also chose to locate in a HUB Zone (Historically Underutilized Business Zone) because we strongly believe that ownership ... having a dog in the hunt ... helps to stabilize and rebuild neighborhoods.

Showcase’s space was transformed into a modern & open workspace suited for 60+ agents with efficient work zones, training room, conference rooms. The sleek contemporary, yet comfortable, space was designed by Charlotte-based Studio Fusion.

The new central office features a video production suite enabling agents to create their own video listings. According to Braun, Showcase also invested in a new advanced phone system, cloud based technology and wireless access throughout the workspace to provide the tools tech-savvy agents need to be successful today. Showcase’s strong digital and social media presence are essential to its marketing efforts and support its many leads and listings.
