## REALTY

### **SHOWCASE REALTY FORECLOSURE TOUR**

**Showcase Realty is opening the doors to some of the best priced bank owned properties in the Charlotte market. An open house tour of foreclosure properties will be held on Saturday, March 20, beginning at 10:00 a.m. REO properties offer some of the lowest real estate pricing and, coupled with historically low interest rates, they are a great value for first time homebuyers, homeowners looking to upgrade, investors and those looking for second homes.**

**The tour includes properties in various price ranges, beginning at 2135 Ferncliff in Foxcroft. The route then goes to a town home on 9445 South Vicksburg Park, continuing to 11126 Pound Hill in Ballantyne Country Club, on to newer construction at 13420 Stones Landing, and ending at 12619 Frank Wiley.**

**Expert REO Realtors and lenders will be on site to address financing options, investment solutions, property values and related REO market questions.**
